Dear Sir/Madam,

1 The Japan Civil Aviation Bureau (JCAB) has the honour to invite your Administration to participate in the next Asia-Pacific Trajectory-Based Operations (APAC TBO) Pathfinder Project Meeting #3, which will be held in Chubu Centrair International Airport Conference Meeting from 24 to 27 February 2026.

2 The meeting aims to share the progress on the goals and deliverables of the Workgroups, while allowing members to have in-depth face-to-face discussions to collaboratively chart the next steps of the project. In addition, Workgroup 2 will be conducting an FF-ICE/R2 table-top exercise that is designed to deepen the core knowledge of FF-ICE services and demonstrate the interactions between Air Navigation Service Providers (ANSPs) and Airspace Users (AUs) through operational role-play. This is the next step after the successful completion of the FF-ICE/R1 laboratory demonstration in July 2025.

3 To facilitate our preparation, we would be grateful if you could confirm the participation from your Administration at your earliest convenience no later than **16 Jan 2026** to
